

LOUISIANA

The Louisiana is a beautiful Log Cabin that is great to use for a relaxing summerhouse or to use as a spot to relax in the sun or to use as a romantic date with your partner. This building would make a great addition to any garden, with it not being too dominating or large it can still be used in the corner or at the centre of a garden. The Louisiana is a building that is perfect for enjoying the company of friends and family whilst looking at the sunset in the distance.
